

EROSION AND SEDIMENT CONTROL CONTRACTOR CERTIFICATION PROGRAM

Abingdon
The Southwest Virginia Higher
Education Center
April 26, 2005

The Virginia Transportation Construction Alliance, in conjunction with the Virginia Department of Transportation, is offering the Erosion and Sediment Control Contractor Certification Program. This course is intended to train individuals involved in implementing Erosion and Sediment Control Plans on VDOT projects and rights-of-way. Participants who complete the course and pass the examination at the end of training will receive a certificate of completion. This certificate meets VDOT's E&S certification requirements. There are no prerequisites for this course.

We encourage those that are already certified to wait until 90 days prior to their expiration date before signing up to attend a class. A series of classes will be held throughout the state in the coming months. We are planning classes in the following areas:

- * Hampton Roads
- * Roanoke
- * Staunton
- * Fredericksburg
- * Lynchburg
- * Northern Virginia
- * Richmond

***Virginia Transportation
Construction Alliance***
